

Employee Loan Forgiveness Program: Up to \$21,000!

SIH offers a loan forgiveness program for positions that are outlined as “hard to fill” positions. These areas currently include:

- **RN/BSN/MSN**
- **Physical Therapist**
- **Occupational Therapist**
- **Respiratory Therapist**
- **MLT**
- **Biomedical Technology**
- **Health Information**
- **Surgical Technologist**
- **Radiology Technologist: CT/MRI, Nuclear Medicine Tech, Ultrasound Tech**
- **Pharmacist**

This program is for candidates that have outstanding loans and have accepted a “hard to fill” position with SIH. The length of the work agreement is dependent upon the amount awarded to the recipient. Candidates must complete an application packet and an interview for the loan forgiveness program. This program is available to full-time or part-time employees only. Employees that have received a scholarship in the past are not eligible for the loan forgiveness program.

Application requirements and terms of the scholarship:

- Current full-time or part-time SIH employee, employed in one of the “hard to fill” areas listed above.
- Proof of outstanding educational loans acquired while attending one of the “hard to fill” educational programs.
- Three letters of professional reference with at least two letters from SIH managers.
- One-page essay describing why you chose your field of study and career.
- Official copy of transcripts from educational program.
- Completed loan forgiveness application (scholarship) packet found online.
- An interview with SIH Scholarship/Loan Forgiveness Selection Committee.
- Sign a contractual work agreement with SIH. The length of the contractual work agreement is dependent on the amount awarded to the employee.

**The deadline to apply each year is May 1st.
Interviews are held in June each year.**
